To Whom it May Concern,

Over the past year Mr Louie has worked in our dental clinic as a dentist. He has a good rapport with patients and earns their respect. He is enthusiastic and strives to provide the highest level of care to his patients. He is very open to suggestions and will adapt to the needs of each individual dental office. If complications arise in treatment he is able to resolve them in a timely manner. If the need arises he can also access a vast network of the top dentists in Ontario. Mr Louie is hardworking and is a good addition to any dental office.
